

OCEAN RIDGE LITIGATION SUPPORT

Your first call when you need an expert witness

PROFILE

Founded to provide a range of litigation support and expert witness services to law firms and maritime, offshore, transportation, and energy companies around the globe. With over 100 years of combined experience, the professionals at Ocean Ridge Litigation Support have the expertise to support law firms, P&I firms, and corporate legal groups in all phases of the litigation process. Ocean Ridge Litigation Support has an experienced team of subject matter experts who are active and engaged in their respective industries. Our staff provides up to date analysis, research, reports, and opinions that reflect the most current and relevant of operational trends.
